(d) the completion period of the rehabilitation package;

(e) by when the PIB clearance from Government of India is likely to be obtained; and

(f) by when the project is likely to be started?

THE MINISTER OF STATE IN THE MINISTRY OF POWER (SHRIMATI URMILABEN CHIMANBHAI PATEL): (a) There is a plan to rehabilitate the two fire damaged 2×75 MW units of Durgapur Thermal Power Station of Damodar Valley Corporation (DVC).

(b) and (c) The Central Electricity Authority had accorded techno-economic clearance to the aforesaid scheme on 9.1.1995 with estimated cost of Rs. 2.61 crores/MW, including interest during costruction; based on September '93 price level.

(d) to (f) The proposed completion period for the rehabilitation of the units is 34 months for the first unit and 40 months for the second unit from the date of placement of orders. The scheme can be submitted to PIB only after DVC has obtained environmental clearance and has also finalised the sources of funding.

Machinery for distribution of hank yarn to handloom producers

2027. SHRI ASHOK MITRA: Will the Minister of TEXTILES be pleased to state:

(a) the existing arrangements for hank yarn distribution to handloom producers in the different parts of the country;

(b) the nature of machinery for ensuring that these arrangements are enforced; and

(c) the number of representations received from various States complaining about the breakdown of these arrangements during 1994-95 and the first quarter of 1995-96?

THE MINISTER OF TEXTILES (SHRI G. VENKAT SWAMY): (a) and (b) Hank yarn supplies to handloom weavers is dependent on the organised mill sector and most of the yarn trade is in private hands. However, in order to ensure adequate availability of hank yarn to handloom weavers, the Government of India is enforcing the Hank Yarn Obligation Order on all mills to pack at lest 50% of their yarn Obligation Order on all mills to pack at least 50% of their yarn packed for civil consumption in the form of hank with further stipulation that 80% of such yarn should be in counts 40s and below. Besides, the National Handloom Development Corporation has been set up primarily to augment supply of hank yarn to the handloom sector. In addition the Government of India has also been implementing the Mill Gate Price Scheme through Natonal Handloom Development Corporation and the Hank Yarn price subsidy scheme through the State Governments.

(c) No representations have been received from States complaining about the breakdown of these arrangements during 1994-95 and the first quarter of 1995-96.

Coal Based Power Plants

2028. SHRI BHAGABAN MAJHI: Will the Minister of POWER be pleased to state:

(a) whether Government have any proposal to set up some coal based power plants in the country during 8th Plan;

(b) if so, the names of the States togetherwith the location where these coal based power plants are being set up; and

(c) the capacity of these plants?

THE MINISTER OF STATE IN THE MINISTRY OF POWER (SHRIMATI URMILABEN CHIMANBHAI PATEL): (a) Yes, Sir.

(b) and (c) State-wise details in respect of coal-based thermal power plants set up
